About Us

Welcome to ELKOS BATH FITTINGS

ELKOS is now making waves in the bathroom fixtures manufacturing and wholesale industries. With a focus on delivering Top-Notch products, **ELKOS** bath aim to transform bathroom across India into luxurious and stylish spaces. From state of art design to unmatched quality, **ELKOS** bath is all set to redefine the way people experience their daily rituals As **ELKOS** bath are continued to expand their reach, customers nation wide can look forward to new era of elevated bathroom experience.

Founded in year 2018 , we pride our self on redefining the bathing experience throughout India, infusing opulence, comfort, and elegance into every bathroom we touch. **ELKOS** bath is your destination for meticulously crafted bath accessories and complete bathroom solutions. Our extensive product line includes faucets, showers, bath accessories and much more. Behind every product stands our team of tireless designers and engineers who continuously push the boundaries of style and innovation. We intend to established new industries standards through innovative designs, superior craftsmanship, and superior customer service. We are steadfast in our mission to provide luxurious bathing solutions to household across India .

Our Mission:

ELKOS Bath Fittings is a well-known company that consistently considers each customer's desire to improve their home and offers them workable alternatives. By selling the goods to the most demanding markets, we have built a solid foundation.

Our Vision:

We adapt technology in concert with advancements in communication and research to build a better and more productive workplace. The highly motivated and skilled members of our team make an effort to provide each project their full and individual attention.

Our Quality:

Products from **ELKOS** Bath Fittings are user-friendly and of consistent quality. We prioritize user comfort while also taking water conservation and environmental protection into account. Each **ELKOS** Bath Fittings item embodies the ideal union of innovation, excellence, and design.
